12 due to an income level consistent with the waiting
13 list requirements of section 237A.13. Any state
14 obligation to provide services pursuant to this section

10 232.143 by more than 5 percent, the department and
11 juvenile court services shall examine all group
12 foster care placements in that service area in order
13 to identify those which might be appropriate for

20 hearing, the juvenile court shall determine whether
21 needed aftercare services are available and whether
22 termination of the placement is in the best interest of
23 the child and the community.

24 5. In accordance with the provisions of section

2 adopt emergency rules to implement this subsection.
3 3. If during the fiscal year beginning July 1,

6 meet the federal pass-through requirement specified
7 in Tit. XVI of the federal Social Security Act,

44 \$20,444,620 shall be used for state child care
45 assistance in accordance with section 237A.13.

46 2. Nothing in this section shall be construed or
47 is intended as or shall imply a grant of entitlement
48 for services to persons who are eligible for assistance
49 due to an income level consistent with the waiting
50 list requirements of section 237A.13. Any state

1 obligation to provide services pursuant to this section
2 is limited to the extent of the funds appropriated in
3 this section.

4 3. Of the funds appropriated in this section,
5 \$216,226 is allocated for the statewide grant program
6 for child care resource and referral services under
7 section 237A.26. A list of the registered and licensed
8 child care facilities operating in the area served by a
9 child care resource and referral service shall be made
10 available to the families receiving state child care
11 assistance in that area.

12 4. Of the funds appropriated in this section,
13 \$468,487 is allocated for child care quality
14 improvement initiatives including but not limited to
15 the voluntary quality rating system in accordance with
16 section 237A.30.

17 5. Of the funds appropriated in this section,
18 \$3,175,000 shall be credited to the early childhood
19 programs grants account in the early childhood Iowa
20 fund created in section 256I.11. The moneys shall
21 be distributed for funding of community-based early
22 childhood programs targeted to children from birth
23 through five years of age developed by early childhood
24 Iowa areas in accordance with approved community plans
25 as provided in section 256I.8.

26 6. The department may use any of the funds
27 appropriated in this section as a match to obtain
28 federal funds for use in expanding child care
29 assistance and related programs. For the purpose of
30 expenditures of state and federal child care funding,
31 funds shall be considered obligated at the time
32 expenditures are projected or are allocated to the
33 department's service areas. Projections shall be based
34 on current and projected caseload growth, current and
35 projected provider rates, staffing requirements for
36 eligibility determination and management of program
37 requirements including data systems management,
38 staffing requirements for administration of the
39 program, contractual and grant obligations and any

48 8. If a uniform reduction ordered by the governor
49 under section 8.31 or other operation of law,
50 transfer, or federal funding reduction reduces the

1 appropriation made in this section for the fiscal year,
 2 the percentage reduction in the amount paid out to or
 3 on behalf of the families participating in the state
 4 child care assistance program shall be equal to or
 5 less than the percentage reduction made for any other
 6 purpose payable from the appropriation made in this
 7 section and the federal funding relating to it. The
 8 percentage reduction to the other allocations made in
 9 this section shall be the same as the uniform reduction
 10 ordered by the governor or the percentage change of the
 11 federal funding reduction, as applicable. If there is
 12 an unanticipated increase in federal funding provided
 13 for state child care assistance, the entire amount
 14 of the increase shall be used for state child care
 15 assistance payments. If the appropriations made for
 16 purposes of the state child care assistance program for
 17 the fiscal year are determined to be insufficient, it
 18 is the intent of the general assembly to appropriate
 19 sufficient funding for the fiscal year in order to
 20 avoid establishment of waiting list requirements.

21 9. Notwithstanding section 8.33, moneys advanced
 22 for purposes of the programs developed by early
 23 childhood Iowa areas, advanced for purposes of

22 in this section as necessary to pay the nonfederal
23 costs of services reimbursed under the medical
24 assistance program, state child care assistance
25 program, or the family investment program which are
26 provided to children who would otherwise receive
27 services paid under the appropriation in this section.
28 The department may transfer funds appropriated in this
29 section to the appropriations made in this division
30 of this Act for general administration and for field
31 operations for resources necessary to implement and

39 allocated in this paragraph "a", the department may
40 reallocate the excess to provide additional funding for
41 shelter care or the child welfare emergency services
42 addressed with the allocation for shelter care.

43 b. If at any time after September 30, 2016,
44 annualization of a service area's current expenditures
45 indicates a service area is at risk of exceeding its
46 group foster care expenditure target under section
47 232.143 by more than 5 percent, the department and
48 juvenile court services shall examine all group
49 foster care placements in that service area in order
50 to identify those which might be appropriate for

1 termination. In addition, any aftercare services
2 believed to be needed for the children whose
3 placements may be terminated shall be identified. The
4 department and juvenile court services shall initiate
5 action to set dispositional review hearings for the
6 placements identified. In such a dispositional review
7 hearing, the juvenile court shall determine whether
8 needed aftercare services are available and whether
9 termination of the placement is in the best interest of
10 the child and the community.

11 5. In accordance with the provisions of section

20 section may be used for emergency family assistance
21 to provide other resources required for a family
22 participating in a family preservation or reunification

35 to the department to be used as additional funding
36 for services and purposes provided for under this

33 there are sufficient funds to pay for all court-related
34 services during the entire year. The chief juvenile
35 court officers and departmental service area managers
36 shall attempt to anticipate potential surpluses and
37 shortfalls in the distribution amounts and shall
38 cooperatively request the state court administrator
